

POINT HOLMES RECREATION ASSOCIATION (PHRA)

Newsletter # 1 – 2025

Hello to all PHRA Members and Friends;

As we begin a new season of boating, fishing and sharing of our amazing recreation area, we would like to take this opportunity to thank all of our members and ramp users for their incredible support and patience during the last busy and sometimes chaotic year. The challenges for everyone during the road construction this past summer certainly showed how amazing our members really are.

In addition, a big “Thank You “to all of our financial supporters. We truly appreciate and depend on the support we receive from both PHRA individual members and our corporate sponsors. It is only through your generous contributions that we can continue to maintain the boat ramp and waterfront park.

As with everything these days the cost of maintenance and upkeep of our ramp and has gone up substantially over the past few years. At the AGM last May, the membership voted on and approved an increase in fees and sponsorship for this upcoming season.

Effective 1 May 2025 the following fee increases were approved:

1. Annual PHRA Membership \$50.00
2. Daily Ramp Use \$7.00
3. Annual corporate Sponsorship \$150.00

Although fee increases are never pleasant, it has been several years since we have had an increase and we ask everyone to please continue to support us as we struggle to maintain and improve the ramp.

It is always amazing to check the RAMPCAM and see the Point Holmes Wild Swimming Society enjoying their daily dip in the waters year-round! The members of this group purchase memberships and contribute donations to PHRA, so please cheer them on when you see them, and always be on the look out for swimmers when boating. Our beaches and boat ramp are getting busier each summer, please be careful and be patient as we all share this wonderful resource together.

Have you seen the PHRA RAMPCAM? It is a solar powered webcam where you can watch the sunrise and check the weather and tides. Share the link with your friends!
